

I'm serving a widow to fund Hope's Bridge...

# WILL YOU SPONSOR ME?

**On June 12th, we'll be serving Ms. Jackie & Ms. Jodie with home repairs at no cost to them. We've gathered supplies for their homes, and now we need your help to fundraise for Hope's Bridge! Your donations will help fund their ministry!**

## Hope's Bridge

Hope's Bridge exists to be an alternative to traditional foster care. Bridge Families welcome children into their home as birth parents work with DCS to work through their permanency plan. The goal of Hope's Bridge is to create a loving, Christ-centered, stable environment for kids to flourish and grow as they are in a state of displacement.

This project will allow us to bring on new staff that will support our Bridge Families, provide child care for our families and to help meet the needs of new families that come into our program.

Ms. Jackie lost her husband just 1 year ago on June 26th of 2020. Since the last several years prior to 2020 have been spent caring for her husband, her home and driveway are long overdue for repairs. Ms. Jodie's husband had a debilitating stroke in 2018 and on January 1, 2020 he entered Heaven, the Home he was created for.

### YOUR SPONSORSHIP MATTERS!
